

SECTIONAL DISPLAY SYSTEM

PARTS LIST

10	sectional display system	48	Z-bar
10a-b	sectional display systems	49	hole
		50	outer frame
12	enclosure cabinet	50a	outer frame
14a-d	modular display panels	51	hole
		52	fine mesh screen (filtering media)
16	right planar side		
18	left planar side	52a	fine mesh screen (filtering media)
20	planar top		
22	planar bottom		
24	planar back	53	machine screw
26	outer bracket	54	inner frame
28	inner bracket	54a	inner frame
30	outer bracket		
32	inner bracket	56	display circuit board module
34	left display module/nested frame assembly	56a	display circuit board module
36	right display module/nested frame assembly	57a-n	LED character blocks
		58	driver circuit board
		58a	driver circuit board
38	upper framework channel	59	nut
40	lower framework channel	60	top planar panel
		62	bottom planar panel
42	alignment pin	64	left planar panel
44	alignment pin	66	right planar panel
46a-n	brackets		

68	upper planar frontal panel	87a-n	machine screws
68a	upper planar frontal panel	88	bottom planar panel
69	spacer (male/female)	89a-n	1/4 turn male fasteners
70	lower planar frontal panel	90	left planar panel
70a	lower planar frontal panel	92	right planar panel
71	spacer (male/female)	94	upper planar frontal panel
72	left planar frontal panel	94a	upper planar frontal panel
74	right planar frontal panel	96	lower planar frontal panel
76	central planar frontal panel	96a	lower planar frontal panel
77	access hole	98	left planar frontal panel
78	upper planar tab	100	right planar frontal panel
79	access hole	102	central planar frontal panel
80	lower planar tab	104	upper planar tab
81	access hole	106	lower planar tab
82	upper planar tab	108	upper planar tab
83	access hole	110	lower planar tab
84	lower planar tab	112	left planar tab
85a-n	spacers	114	right planar tab
86	top planar panel	116	top edge
		118	bottom edge
